

# WHY VOTE YES ON 2F?

**Vote YES on 2F** to maintain safety and stability in our communities

**Vote YES on 2F** to keep our children -- the next generation -- safe by restoring the buffer zones between schools/residences and halfway houses and shelters

**Vote YES on 2F** to limit expansion of homeless shelters into residential homes

**Vote YES on 2F** to curb the growth of halfway houses into commercial corridor, multi-unit, and mixed-use zones keeping all Denver neighbors safe

**Vote YES on 2F** to limit the expansion of powers and sole authority of the non-elected Zoning Administrator

**Vote YES on 2F** because our infrastructure cannot handle the density increase, demands on electricity, water, waste, and provide sufficient parking for residents who need access and mobility

**VOTE YES ON 2F**
